Binghamton University 2+U program is designed to:

- Facilitate the transition of graduates from a liberal arts associate degree program at Westchester Community College to a baccalaureate degree program in Harpur College of Arts and Sciences at Binghamton University.
- Attract qualified transfer students to both Westchester Community College and Binghamton University.
- Provide information to ensure appropriate advisement for students from faculty and staff at both Westchester Community College and Binghamton University
- Encourage academic coordination between the faculty and advisors at the two institutions, including curricular reviews
- Assess and exchange information on the specific outcomes of this articulation program with the goal of continual improvement.
- Allow students to maximize transferability and enter in Junior standing.

### Qualifying Students

This agreement pertains to the transfer of “qualifying students” i.e. those transfer students who:

1. Will have successfully completed their associate degree at Westchester Community College.
2. Have maintained, completed, and are in good standing at Westchester Community College;
3. Have a minimum cumulative 3.2 GPA for guaranteed admissions. Candidates whose cumulative GPA is between a 2.8 to a 3.19 will be considered based on space availability and their individual merits by the Binghamton Admissions Committee; and
4. Complete their student application process by February 1st for Fall or November 1st for Spring and submit a transcript inclusive of the most recent semester. A complete list of requirements and the application are available online at <https://www.binghamton.edu/admissions/apply/transfer/qualifyingstudents.html>. Any applicant who applies or submits materials after the deadline will be considered on a space available basis.

All students who participate in the Binghamton University 2+U program are expected to complete all course work at Westchester Community College until meeting the academic requirements to successfully transfer to Binghamton University. Requirements for the bachelor's degree will be those in effect at the time the student transfers to Binghamton University.

Approved courses are listed online at <https://www.binghamton.edu/admissions/apply/transfer/coursework.html>. Up to date information about Harpur College of Arts and Sciences' requirements, General Education requirements, and major recommendations are available online at [www.binghamton.edu](http://www.binghamton.edu).

Credit in our introductory chemistry course including Advanced Placement (AP), International Baccalaureate (IB) and the College Level Examination Program (CLEP) will also be considered for transfer based upon official proof of minimum required scores. More details about these programs are available online at: <https://www.binghamton.edu/harpur/academic/transfer/credit-evaluation/exam-credits.html>

Each institution hereby agrees to notify the other in the event of any changes in the provisions of this agreement or any provision of the agreement that would render this agreement inoperative or inconsistent with the provisions herein.

In June 2021, Harper College of Arts and Sciences, Binghamton University and Westchester Community College agree to enter into an articulation agreement as described in Article I through three in the Articles of Articulation.

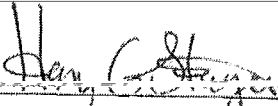

Evaluation of this agreement will occur every five years. At the request of either party a review of the contents, updates and/or implementation of the agreement will be conducted by the institutions Binghamton University and/or Westchester Community College will give not less than one calendar year's written notice for a termination of the articulation agreement. Termination of the agreement will be effective for the institution notified as to accepted for Binghamton University at the time of termination.

## Articles of Articulation

There are three groups of requirements that all students must complete in order to receive a Bachelor of Arts (BA) or Bachelor of Science (BS) degree from the College of Arts and Sciences at Binghamton University. These are listed under the following categories: Harpur College General Education (GenEd), and academic major.

1. For questions regarding General Education (Gen Ed) and Harpur College requirements, consult please see <https://www.binghamton.edu/general-education/transfer/index.html#enugened12>. Additional information about Binghamton University's General Education program can be found in Appendix A.

2. For academic major requirements, consult with the specific department and review the University Bulletin online at [bulletin.binghamton.edu](http://bulletin.binghamton.edu).

3. All students who participate in this agreement and enroll at Binghamton University are expected to adhere to all general administrative and academic policies and procedures. The Binghamton University Bulletin and Student Handbook specify University policies and procedures. Additional Harpur College policies may be found on the Harpur College Academic Advising website or the Harpur College website. Academic departments and programs may have other more detailed information specific to their area. All students are held to the degree requirements in the University Bulletin for their academic year of matriculation.
