Each graduate student must have a Proposed Course of Study for this MSSS Degree prior to completing 12 credit hours toward this degree. It is strongly recommended that you review your Course of Study with your Academic Advisor or Graduate Director prior to enrolling in your next semester courses to ensure that you are on track with your degree. At the time of declaration of candidacy (final semester) for degree, you must recheck this form. An incomplete grade could delay your graduation. Please Note: A student must be continuously registered and matriculated in order to graduate.
